

A Millenium Approaches

# SO WHAT'S NEXT?

Well, the obvious answer is the year 2000. Y2K. But the question really asks us, "How well have you prepared yourself for the new millenium?" If you have taken advantage of everything that Marlborough High School has to offer, you are probably ready to take on the world. So what's next? Our turn, that's what. A millenium in which we get to make the rules, play the game our way, and leave the playing field of life..victorious!

Mike Gorgone and Amira Bakr give their friend Evan Beamer two enthusiastic thumbs up!

MHS Boys soccer player just couldn't resist the chance to dress up!

Sean Navin and Kristin Bower make a great team in their "project adventure" gym class.

"Going down?" Members of the third floor elevator crew await their preferred method of transportation. It's the only way to get to class in style and on time!

"Here Come the Women In Black" Student of Ceil Sharon's dance studio pose for their photo after performing "Men in Black."

UT AND ABOUT- Outlandish, outrageous, outstanding, outgo-  
g, out of this world. That's right. We're all those those things.

# S T U D E N T L I F E

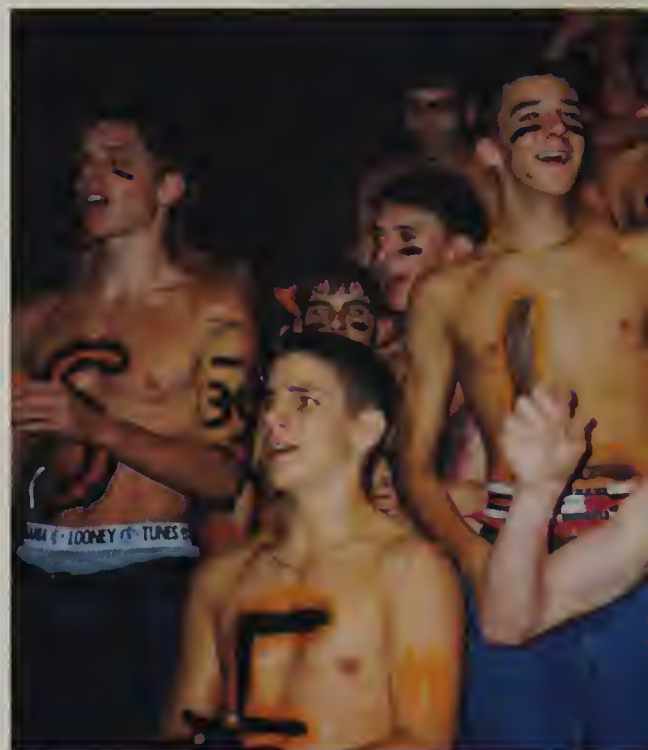

"Yes, Yes, We Do! WE Got Spirit,  
How 'bout You?" It's amazing  
what dedicated soccer players like  
Tim Sturges and Heather Cobb  
will do for their team!

# Its About Time

With all the wonderful activities at Marlborough High School, it's a wonder the 1200 of us can find the time to do even *half* of them. It's amazing how so many of us manage to juggle full academic schedules, team sports, and extra-curricular activities yet still find time for a social life. For many students, school can seem like a second home.

Perhaps only a Marlborough High student can understand how a school day can seem to drag on forever, and yet go by so quickly. However, whether it be at proms, rallies, or sporting events, we always find a way to have a good time.

Top Left: Actually, they're right. They gave it their all but the girls soccer team wasn't worthy of the spirit stick this year. But next year...

Above Right: When asked if they were having a good time at the 1998 Junior Prom, 100% of the people in this picture said, "Yes!"

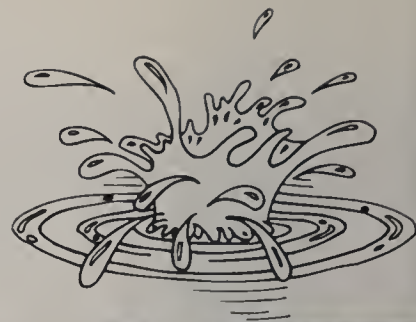

Bottom Left: The girls Volleyball team, with their war paint and half shirts, wins the spirit stick for 1998.

Bottom Right: Josh Reitz leads the boys soccer team as they prepare to surrender the spirit stick.

# Friends

Katherine Mulvey and Alaina Rissotti are not only great teammates, they're great friends!

Upper Right: The J.A.C.K. Attack The Friendship between Christine Wright, Kerri Ravenscroft, Jill McDonough and Abby Rosenswaike is so strong that even though Kerri moved away last year, they are all still the best of friends.

High School is a time for new experiences, a time to make new friends. Although some of your friends may have been with you since elementary school over the years many have drifted away. After all your best friend in kindergarten could be anyone who didn't steal your crayons or cut in front when you were waiting for the slide. Often, it is as your high school years come to a close that you realize just how valuable a friend can be. Friends help shape who you are, they are there when you need someone to talk to, to understand and to care. It is the memories of these moments, of these friendships, that will last forever.

*by Christine Wright '99*

The Junior class of Marlborough High School gathered on the evening of Friday, May 1, 1998 at the Marlborough Holiday Inn for “A Night to Remember.” The Prom King was Marcello Arantes. The Queen was Katie Hartin. The Court included Phil Blair, Andy Rennie, Marcello, Katie, Ross Courtmanche, Mike Delano, Gail Dao, Lianne Harrington, Katie Landers, and Andrea Kessararis.

# Our World IS A Diverse World

Julie Montesion and Lili Nguyen first became friends through MHS' Project Adventure physical education class.

MHS is a center of diversity. There are at least twenty different countries, cultures, and languages represented in our school alone. The languages spoken range from Portuguese to Korean. After all, the flow of people of different nations to this country is what began the nation in the first place. The US became and still is considered a haven to those with the hope of living a better life.

MHS é um centro de diversidade. Existem pelo menos vinte países, culturas, e línguas representadas na nossa escola. As línguas variam do Brasil a longínqua Coreia. A corrente de diversas pessoas de várias nações é o que começou esse país. Os Estados Unidos ficou sendo um refúgio para aqueles esperancosos de uma vida melhor.

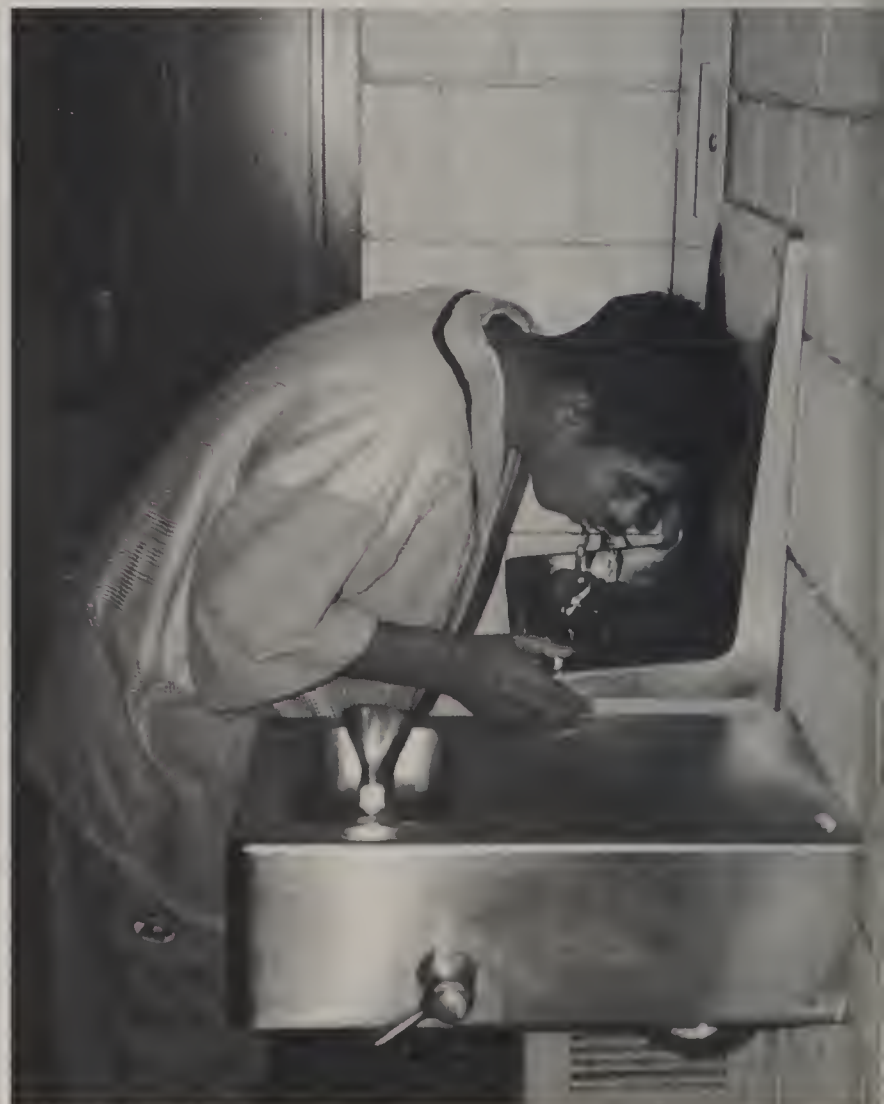

Can you guess in which one of the many languages spoken here the above paragraph is written?

So many water fountains, so little time. Edgar Agundis takes time out of his busy day to sample MHS' finest bubbly!

Abby Rosenwaike and Isabella Freitas demonstrate there is no difference that cannot be overcome through kindness and understanding.

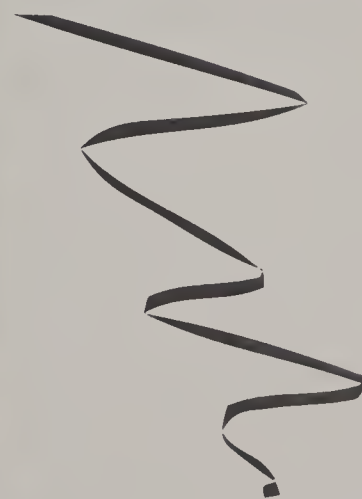

Carlos Ferreira tries to show everyone the charm embedded in his dimples while rushing to class.

Mariana Ribeiro, Leandro Pittol, Carlos Ferreira, and Daniel Almeida pose for a quick picture to represent a small part of the large Brazilian community at our school.

Flor Piedrasanta shows with a smile that she seems to be looking forward to graduation in 1999.

Right: Jon Mannell takes a long look down as he attempts to climb "the ladder."

Right: Mr. Reynolds concentrates as he belays a fearful student.

Right: Kristin Bower poses for the camera when she should be helping her classmates scale "THE WALL!"

## Mr. Reynolds' Junior Gym.

Imagine the raspy scrape of the bark as your face comes in contact with the rough surface of the tree you are climbing. Tears sting your eyes. Your stomach is in knots and your fingers feel like they are about to fall off as much from the cold as from your vise-like grip on

the metal hooks protruding from the tree. You push your fear of falling farther back into your panic-stricken brain and concentrate on the task at hand. Reaching the log 50 feet above the ground, Mr. Reynolds' voice cuts through the fog in your head. he tells you to let go of the

platform and venture out onto the log. Is he crazy? That decision would be suicidal, but thoughts of what your peers below will think if you wimp out now force you to take the first step. The wind is swaying the log as you concentrate on each step. You reach the end

and let yourself fall off. Welcome to Project Adventure. This course is one of the most exciting and rewarding MHS has to offer. With Mr. Reynolds in charge, you have nothing to fear but dear itself, so get ready for the adventure!

# Senior Semi-Formal

*To Ease Those  
Mid-Winter  
Blahs, Seniors  
Warm Up at  
the Senior Semi*

Underneath the cool shade of the banana tree Seniors found a chance to cut loose and come together.

With the glamour and excitement of the prom (at half price) seniors were able to come together to the sounds of N'SYNC and Will Smith. The palm trees weren't swaying but the

dance floor was . . . (didn't some people do a senior skit thing?)

The camera flash and another youthful memory was captured. As the beat went on seniors made the most out of their last times together.

Almost as quickly as it began the night was over

and the last song ended.

LEFT: THE PAUSE THAT REFRESHES. Adam, Katie, Geoff, Emily, and Lianne take a break from the excitement for a quick photo.

BELOW: Happy couple Crystal MacKenzie and Shawn Downey danced the night away "under the cool shade of the banana tree."

## Senior Skits

Scholastica Foya re-enacts the hit single "The Boy is Mine" at the Homecoming Rally last fall. The skits give seniors a chance to get together, to be creative, and to strut their stuff as they make another memory to last a lifetime. Most importantly, Senior skits are about having fun.

Above: Two productive seniors, Scott Rabidou and Andy Doucette make the best of their final days at MHS.

Left: Even in a crowded lunchroom, seniors like Jason Patnode have no trouble maximizing their personal space.

Left: Ross Courtemanche, the "panther," takes down Alyssa Stetson, the "hawk," as Mike Kennard keeps it clean.

Below: Liz Kivlighan pause to consider her next line at Dessert Theater.

Above Left: Alice- "I'm a Crest kid!"

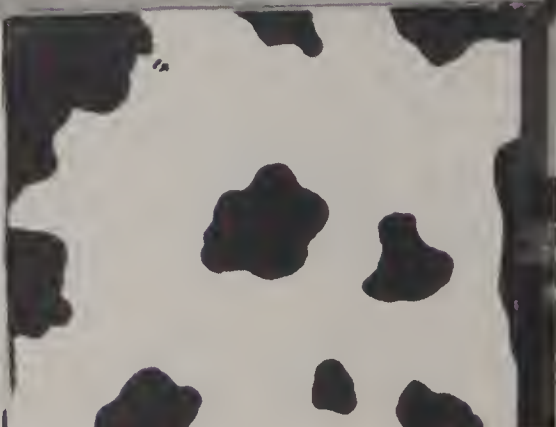

Above: Mike Kennard could be the next Karate Kid.

Right: William Shakespeare, a.k.a. Dave Cotter, professes his love for the theater.

## Jamie LaRue

Jamie,

You have always been a very determined person. From the time of your first bike race, when it didn't matter that there was a parked car at the end, you were going to win. Or the time in Vermont when you wrestled with the chair, it did not matter that it ended in a trip to the hospital, you were going to win. Or your great adventure to Virginia, you were going no matter the price you had to pay. Determination is what you need in life and you have that. We know whatever you choose to do, you will be great at it. And in this world you will always run into Eggs and don't you let them get you down. You are too good for that. We are so proud of all that you have accomplished. We wish you the best in all the years to come. Congratulations Jamie. You made it through your first step in life.

*Love,  
Mom and Dad*

Jamie (Mimi),

The years weave a bond of love among sisters. At first glance, this seems to be an uncomplicated connection, but examine it closely and you'll discover threads of memory entwined with trust, hope, laughter, and tears. Congratulations Jamie. We love you.

➔ In 1853, chef George Crum creates potato chips in New York after a customer keeps requesting thinner french-fried potatoes. The U.S., with over 700 varieties on the market, consumes the most potato chips worldwide.

➔ Slang of the 1800s includes coot, crazy as a loon, critter, bub and sis, bully for you, and bumner. Popular phrases today are da bomb, cool and phat.

➔ Germans first bake birthday cakes to celebrate children's birthdays in 1200. The candles burn throughout the day to symbolize life. The tradition of birthday cakes continues with popular characters as part of the cake decoration.

➔ Before sweat glands are clearly understood in the 19th century, perfume is used to mask the odor of sweat. Introduced in 1888, Mum® is the first product to ward off underarm moisture and odor. In 1997, Americans spend \$1.48 billion on deodorant.

➔ The average American's favorite meal in 1954 is a fruit cup, vegetable soup, steak and potatoes, peas, rolls and butter, and pie à la mode. Teens today rank pizza, french fries, pasta, hamburgers/cheeseburgers and chicken nuggets as their top five favorite foods.

1841

➔ In 1892, the Manfield Shoe Company in England first produces quality shoes in standard sizes and large quantities. Sneakers are introduced in the 19th century and cost a few dollars. Name-brand shoes today can cost hundreds of dollars.

◀ In 1120, the first restaurant or "cook shop" opens in Kaifeng, the capital of the Northern Song dynasty. Today, McDonald's has more than 23,500 restaurants in 113 countries. Americans spend 46 percent of their food dollars away from home in 1996 compared to 25 percent in 1955.

◀ In 1850, Levi Strauss invents blue jeans in San Francisco. Originally made with canvas, denim replaces the material in the early 1860s. The average American now owns 7.03 pairs of jeans.

◀ Conquistadors return to Spain in 1527 after finding the natives of New Spain eating algae, agave worms, winged ants, tadpoles, water flies, white worms, and insect larvae. Today, kids enjoy candy in the shape of critters.

➤ Guglielmo Marconi invents the radio in 1895 using a crude transmitter. Music makes history on TV when the Beatles appear on *The Ed Sullivan Show* in 1964. Music continues to make history on TV when MTV kicks off in 1981. Today, 68 percent of teens watch MTV 5.4 hours a week.

◀ The commode becomes a popular addition to homes in 1700. Recent findings reveal women spend 80 seconds using a public restroom while men spend 45 seconds.

◀ According to legend, on May 8, 1886, Atlanta pharmacist John Perberton produced the syrup for Coca-Cola in a three-legged brass pot in his backyard. Coca-Cola was first bottled in 1899 and is today's best-selling soft drink. Americans drink 127 million 8-ounce servings every day.

◀ In the French court of Louis XV, women style their hair three feet high forcing them to sleep sitting up. The hair would be left in place for months; insects and mice would nest in it. Today's hairstyles are a little more "down to earth."
